REPORT OF THE DIRECTOR OF THE MANAGEMENT COMPANY FOR THE HALF YEAR AND QUARTER ENDED DECEMBER 31, 2015

Dear Investor.

On behalf of the Board of Directors, I am pleased to present MCB Islamic Income Fund's accounts review for the first half ended December 31st, 2015.

ECONOMY AND MONEY MARKET OVERVIEW

Overall economic score card continued to gather stability with the significant drop in Int'l Crude Oil Prices. Inflation continued to soften despite a small portion of recent decline in oil prices is passed through as other commodity prices and overall food sector also contributed to the overall slowdown. Recent drop in crude oil has deferred the earlier anticipated uptick in inflation as the full year FY16 average inflation is now expected to remain below 3%.

External account continued to remain stable where Petroleum Group Imports during the 1HFY16 are lower by approx 39% compared to 1HFY15. However, sizeable increase in imports of food and machinery groups and a significant decline in exports (down 14.5% in 1HFY15 YoY) shaved off approximately the two third of the benefit of drop oil prices. Suffering from weak global demand and relative in-competitiveness the decline was most visible in the other manufacturing sector followed by food and textile sectors. Overall Balance of payment account reported a surplus of near USD 1.5 billion supported by a narrower current account and inflows in financial account. Overall positive external account impact and strong foreign exchange reserves balance of near USD 20.76 Billion alongwith strict vigilance of SBP kept the rupee relatively stable.

M2 growth returned to positive territory on FY16 to date basis (25-Dec) which reflects the seasonal adjustment where Net Domestic Assets continually supported by a net government borrowing of about PKR 95 billion with a contribution from Net Financial Asset of PKR 168 billion. Money markets remained optimistic about further cut in discount rate and its sustainability in later half of the year. Yield Curve has thus recently witnessed a slight increase in slope with longer dated bonds remaining relatively less responsive to the expected change in policy rate.

FUND PERFORMANCE

During the period under review, the fund generated an annualized return of 5.87% as against its benchmark return of 4.3%.

During the period, the fund had been increasing its exposure from GoP Ijarah Sukuk, which stood at around 66.5% at periodend. The fund was 10.6% invested in Corporate Sukuk while most of the remaining exposure in cash and bank deposits at relatively attractive rates.

The Net Assets of the Fund as at December 31, 2015 stood at Rs. 1,064 million as compared to Rs. 1,261 million as at June 30, 2015 registering a decrease of 15.62%.

The Net Asset Value (NAV) per unit as at December 31, 2015 was Rs. 103.1537 as compared to opening NAV of Rs. 100.1908 per unit as at June 30, 2015 registering an increase of Rs.2.96 per unit.

FUTURE OUTLOOK

Crude Oil Prices have created space on fiscal account with lower subsidies and debt servicing burden however major reforms for resolution of circular debt are yet missing which in turn is leaving the chronic issue unresolved. On the other hand, the weak economic outlook of GCC region and Saudi Arabia opens up a potential risk to flow of remittances which contribute more than 60% to the total. Weak exports and potentially weak remittances can be a significant threat to overall stable economic environment and more importantly the exchange rate. Despite real positive interest rates and weak inflationary outlook, we think the emerging risks to current account shall weigh on any considerations for significant monetary easing.

The short term macro stability is expected to provide favorable environment for economic activities to pick up. The average Consumer Price Index is expected to remain around 3% for the year with the second half of fiscal year inflation expected to average around 4%. We expect the inflation to gradually pick up but it is expected to remain well anchored next year assuming oil prices remain at lower levels.

Budgeted target for economic growth appear achievable while fiscal deficit may marginally exceed due to challenges in revenue collection despite significant reduction in subsidies.

The China Pakistan Economic Corridor is expected to provide much needed impetus to growth with \$46 billion program expected to spur activity in the construction and power space which would have its trickle down affects. However, the current account is expected to worsen with import bill increasing in the short term along with the Foreign Direct Investment inflows. Profit repatriation in the long term would also be a concern for the balance of payments position.

REPORT OF THE DIRECTOR OF THE MANAGEMENT COMPANY FOR THE HALF YEAR AND QUARTER ENDED DECEMBER 31, 2015

ACKNOWLEDGMENT

The Board is thankful to the Fund's valued investors, the Securities and Exchange Commission of Pakistan and the Trustees of the Fund for their continued cooperation and support. The Directors also appreciate the efforts put in by the management team.

On behalf of Directors,

Saqib Saleem

Acting Chief Executive Officer

Report on review of Condensed Interim Financial Information to the Unit Holders

Introduction

We have reviewed the accompanying condensed interim statement of assets and liabilities of MCB Islamic Income Fund ("the Fund") as at 31 December 2015, the related condensed interim income statement, condensed interim distribution statement, condensed interim statement of movement in unit holders' condensed fund interim cash flow statement and notes to the accounts for the six months period then ended (here-in-after referred to as the "condensed interim financial information"). Management Company is responsible for the preparation and presentation of this condensed interim financial information in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this condensed interim financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of condensed interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review nothing has come to our attention that causes us to believe that the accompanying condensed interim financial information is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.

Other matters

The figures for the quarter ended 31 December 2015 and 31 December 2014 in the condensed interim financial information have not been reviewed by us and we do not express a conclusion on them.

1 LEGAL STATUS AND NATURE OF BUSINESS

MCB Islamic Income Fund ("the Fund") was established under a trust deed executed between MCB Asset Management Company Limited as the Management Company, a company incorporated under the Companies Ordinance, 1984 and Central Depository Company of Pakistan Limited (CDC) as the Trust Deed was approved by the Securities and Exchange Commission of Pakistan (SECP) on 25 January 2011 and was executed on 7 March 2011.

The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules through a certificate of registration issued by the SECP. The registered office of the Management Company is currently situated at 8th floor, Techno city corporate tower, Hasrat Mohani Road, Karachi, Pakistan. With effect from 08 February 2016 the registered office of the Management Company will be changed to 24th Floor, Centre Point, Off. Shaheed-e-Millat Expressway, near KPT interchange, Karachi, Pakistan.

Pursuant to the merger of MCB-Asset Management Company and Arif Habib Investments Limited, the name of the Management Company (Arif Habib Investments Limited being the surviving entity) has been changed from Arif Habib Investments Limited to MCB-Arif Habib Savings and Investments Limited.

The Fund is an open-end mutual fund and offers units for public subscription on a continuous basis. The units of the Fund are transferable and can also be redeemed by surrendering them to the Fund. The Fund is listed on the Pakistan Stock Exchange limited (formerly listed on Lahore Stock Exchange). According to paragraph 19.3 of the Trust Deed, the first accounting period of the Fund shall commence from the date on which the trust property is first paid or transferred to the Trustee i.e. 1 May 2011. The Fund has been categorised as "Shariah Compliant (Islamic) Income" scheme by the Board of Directors of the Asset Management Company in pursuant to Circular 7 of 2009 dated 6 March 2009 issued by the SECP.

The objective of the Fund is to seek to generate superior risk adjusted returns by investing in short, medium and long-term high quality Shariah Compliant fixed income instruments.

The Pakistan Credit Rating Agency (PACRA) Limited has assigned management quality rating of 'AM2+' to the Management Company and 'AA-(f)' as stability rating to the Fund.

Title to the assets of the Fund is held in the name of Central Depository Company of Pakistan Limited as Trustee of the Fund.

- 2.1.3 This condensed interim financial information is unaudited. However, a limited scope review has been performed by the external auditors of the Fund. The Board of Directors of Management Company declare that this condensed interim financial information gives a true and fair view of the state of affairs of the Fund.
- 2.1.4 The comparatives in the condensed interim statement of assets and liabilities presented in the condensed interim financial information as at 31 December 2015 have been extracted from the audited financial statements of the Fund for the year ended 30 June 2015, where as the comparative in condensed interim income statement, condensed interim distribution statement, condensed interim statement of movement in unit holders' fund and condensed interim cash flow statement are extracted from unaudited condensed interim financial information for the period ended 31 December 2014.

2.1.5 Functional and presentation currency

This condensed interim financial information is unaudited and is presented in Pak Rupees, which is the functional and presentation currency of the Fund and has been rounded off to the nearest thousand rupees.

3. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies and methods of computation adopted for the preparation of this condensed interim financial information are same as those applied in the preparation of the financial statements of the Fund for the year ended 30 June 2015. At present the Fund has no item to be reported in other comprehensive income; hence income for the period equals to total comprehensive income for the period. During the period IFRS 13 Fair Value Measurement, became effective. Further, amendments to certain existing standards, new standards and interpretations on approved accounting standards which were effective during the period were not relevant to the Fund's operations and did not have any impact on the accounting policies of the Fund.

3.1 Change in accounting policy- fair value measurement

IFRS 13 Fair Value Measurement establishes a single framework for measuring fair value and making disclosures about fair value measurements when such measurements are required or permitted by other IFRSs. It unifies the definition of fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. It replaces an expands the disclosure requirements about fair value measurements in other IFRSs, including IFRS 7 Financial Instruments: Disclosures. As a result, the Fund has included additional disclosures in this regard in note 7.3 to the interim financial information. In accordance with the transitional provisions of IFRS 13, the Fund has applied the new fair value measurement guidance prospectively and has not provided any comparative information for new disclosure. Notwithstanding the above, the change had no significant impacts on the measurements of the Fund's assets and liabilities.

3.2 The Element of Income arising on issuance and redemption of units is bifurcated in to portion attributable to capital gain / losses (realised and unrealised) and other income appearing in book of accounts of the Funds. Accordingly corresponding figures have been aligned with the current presentation.

4. ESTIMATES AND JUDGMENTS

- 4.1 The preparation of condensed interim financial information requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.
- 4.2 In preparing this condensed interim financial information, significant judgments made by management in applying accounting policies and the key sources of estimation uncertainty were the same as those that applied to the financial statements as at and for the year ended 30 June 2015.

5. FINANCIAL RISK MANAGEMENT

The Fund's risk management objectives and policies are consistent with those objectives and policies which were disclosed in the financial statements of the Fund as at and for the year ended 30 June 2015.

7.3 The additional disclosure due to the adoption of IFRS 13 Fair value measurement are as follows:

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the maeasurement date.

Fair value of underlying financial assets are determined based on requirements of Regulation 66 of Non-Banking Finance Companies and Notified Entities Regulations, 2008 and directives if any, issued by the Securities and Exchange Commision of Pakistan. of debt instruments other than Government Securities, which are unlisted or listed but not traded regularly on stock exchange be valued at rates notified by Mutual Funds Association of Pakistan.

The fair value of financial assets traded in active market i.e. listed securities are based on the quoted market price at determined by stock exchange in accordance with its regulations.

The table below analyses recurring fair value measurements for financial assets and financial liabilities. These fair value measurements are categorised into different levels in the fair value hierarchy based on the inputs to valuation techniques used. The different levels are defined as follows:

Level 1 — Quoted market prices in an active market (that are unadjusted) for identical assets or liabilities.

Level 2 — Valuation techniques (for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable).

Level 3 — Valuation techniques (for which the lowest level input that is significant to the fair value measurement is unobservable).

As at 31 December 2015, the Fund held the following classes of financial instruments measured at fair value:

Financial assets measured at fair value		Fair	value	
	Level 1	Level 2	Level 3	Total
31 December 2015		(Rupee	es in '000)	
Investments:				
- Government Securities	-	723,808	-	723,808
- Unlisted debt securities - term finance certificates		-	115,255	115,255

The fair value of the financial assets comprising balances with banks and income receivables as well as financial liabilities comprising payable to Management company, payable to Central Depository Company of Pakistan Limited, payable to Securities and Exchange Commission of Pakistan and other liabilities approximates their carrying amounts.

For financial instruments that are recognised at fair value on a recurring basis, the Fund determines whether transfers have occurred between Levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. The Fund's policy is to recognise transfers into and transfers out of fair value hierarchy levels as of the date of the event or change in circumstances that caused the transfer. During the six-month period ended 31 December 2015, there were no transfers between Level 1 and Level 2 fair value measurements, and no transfers into or out of Level 3 fair value measurements.

8.1 The Finance Act, 2013 introduced an amendment to Federal Excise Act, 2005 where by Federal Excise Duty (FED) has been imposed at the rate of 16% on the services rendered by assets management companies. In this regard, a Constitutional Petition has been filed by certain Collective Investment Schemes (CISs) through their Trustees in the Honourable Sindh High Court (SHC), challenging the levy of Federal Excise Duty on Asset Management Company services after the passage of eighteenth amendment. The SHC in its short order dated 4 September 2013 directed the Federal Board of Revenue (FBR) not to take any coercive action against the petitioners pursuant to impugned notices till next date of hearing. In view of uncertainty regarding the applicability of FED on asset management services, the management company, as a matter of abundant caution, has decided to retain and continue with the provision of FED in this condensed interim financial information aggregating to Rs. 8.078 million and Rs. 2.97 million on account of management fee and sales load, as at 31 December 2015. In case, the suit is decided against the Fund it would be paid to management company, who will be responsible for submitting the same to taxation authorities. Had the said provision of FED not been recorded in the books of account of the Fund, the Net Assets Value (NAV) of the Fund would have been higher by Rs. 0.78 per unit as at 31 December 2015.

8.2 PROVISION FOR WORKERS' WELFARE FUND

8.

The Finance Act 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance). As a result of this amendment it may be construed that all Collective Investment Schemes / mutual funds (CISs) whose income exceeds Rs 0.5 million in a tax year have been brought within the scope of the WWF Ordinance. Thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a constitutional petition has been filed by certain CISs through their trustees in the Honourable High Court of Sindh (the Court), challenging the applicability of WWF to the CISs, which is pending for judication.

Subsequent to the year ended on 15 July 2010, a clarification was issued by the Ministry of Labour and Manpower (the Ministry) on 8 July 2010 which stated that mutual funds are not liable to contribute to WWF on the basis of their income. However on 14 December 2010 the Ministry filed its response against the Constitutional petition requesting the Court to dismiss the petition. According to the legal counsel who is handling the case, there is a contradiction between the aforementioned clarification issued by the Ministry and the response filed by the Ministry in the Court.

Subsequent to the year ended 30 June 2011, the Honourable Lahore High Court (LHC) in a constitutional petition relating to the amendments brought in the WWF Ordinance, 1971 through the Finance Act, 2006, and the Finance Act 2008, has declared the said amendments as unlawful and unconstitutional and struck them down. In March 2013 a larger bench of the Sindh High Court (SHC) in various constitutional petitions declared that amendments brought in the WWF Ordinance, 1971 through the Finance Act, 2006, and the Finance Act 2008, do not suffer from any constitutional or legal infirmity.

However, as per advice of legal counsel the stay granted to CIS remains intact and the constitution petitions filed by the CIS to challenge the WWF contribution have not been affected by the SHC judgment.

Furthermore, in the Finance Act 2015, the mutual funds have been excluded from the levy of WWF. As this change has been made in the definition of the term 'Industrial Establishment' as defined in the Workers' Welfare Fund Ordinance, 1971, the change may appear to apply prospectively. Accordingly, management is of the view that this change is applicable from 01 July 2015. Hence, the matter regarding previous years would either need to be clarified by FBR or would be resolved through courts. Management Company, as a matter of abundant precaution, has decided to retain the provision for WWF amounting to Rs. 11.490 million in these condensed interim financial information. During the six months period ended 31 December 2015 the Fund charged Rs.Nil on account of WWF. Had the said provision of WWF not been recorded in the books of account of the Fund, the Net Asset Value (NAV) of the Fund would have been higher by Rs. 1.114 per unit as at 31 December 2015.

9 SINDH SALES TAX ON REMUNERATION OF THE TRUSTEE

The Sindh Revenue Board through Circular No. SRB 3-4/TP/01/2015/86554 dated 13 June 2015 has amended the definition of services of shares, securities and derivatives and included the custodianship services as well. Accordingly, sindh sales tax at the rate of 14% is also charged on trustee fee .

Accordingly, the Fund has made an accrual of Rs. 93 million on account of sindh sales tax on services chargeable on custodianship services.

10 ALLOCATED EXPENSES

In the current period a statutory notification (S.R.O. No 1160 (1) /2015 dated 25 November 2015 was issued by the Securities and Exchange Commission of Pakistan (SECP), which introduced amendments in Non-Banking Finance Companies and Notified Entities Regulations, 2008. As a result of these amendments, the Management Company may charge fees and expenses related to registrar services, accounting, operations and valuation services related to Collective Investment Scheme (CIS) upto maximum of 0.1% of average annual net assets of the scheme. Accordingly, such expenses have been charged effective from 27 November 2015.

11 TAXATION

The Fund's income is exempt from Income Tax as per clause (99) of part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains whether realised or unrealised is distributed amongst the unit holders. Provided that for the purpose of determining distribution of atleast 90 percent of accounting income, the income distributed through bonus units shall not be dividend. Furthermore, as per regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulation, 2008, the fund is required to distribute 90% of the net accounting income other than capital gains to the unit holders. The Fund is also exempt from the provision of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance 2001. The Fund has not recorded any tax liability in respect of income relating to the current period as the management company intends to distribute at least 90 percent of the Fund's accounting income for the year ending June 30, 2016 as reduced by capital gains (whether realised or unrealised) to its unit holders.

12 EARNINGS PER UNIT

Earnings per unit (EPU) has not been disclosed as in the opinion of the management determination of cumulative weighted average number of outstanding units for calculating earnings per unit is not practicable.
